## **Public Meeting: Holland River Maintenance**

The Holland Marsh Drainage System Joint Municipal Service Board has hired a consultant to recommend an approach to better facilitate maintenance of the Holland River (Main Drain).

This work involves assessing the impacts of various methods of river maintenance. Public input is being sought as part of this study.

**A public meeting is being held to generate discussion and input.**

**WHEN:** Wednesday, November 13, 2019 at 3:00 p.m.

**WHERE:** Bradford & District Memorial Community Centre  
125 Simcoe Rd., Bradford

The format of the meeting will be initial presentation followed by smaller group sessions to facilitate discussion and constructive feedback.
